

Licensure Notice Disclosures

In accordance with federal requirements for disclosures regarding such Professional Licensure programs under 34 §C.F.R. 668.43, each semester, University of Maryland emails the applicable licensure notice disclosure to any student admitted to, or currently enrolled in, programs designed to lead to Professional Licensure or certification or advertised as leading to Licensure. Prior to sending out such notices, program chairs review the notices and update them to reflect in known changes related to state-by-state eligibility or ineligibility for licensure. The notices included in this packet were issued to students in January 2022 and are current only as of this date. Students only receive the notice for the program in which they are currently enrolled.

STATE LICENSURE NOTIFICATION

Name of program: Chemistry Education

Type of licensure that may be earned upon program completion: ND Teaching License

Chair name: Dr. Kim Marman

Chair email address: kamarman@umary.edu

Date: 01/05/22

PURPOSE OF NOTIFICATION:

As a student enrolling in the Biology Education major, you may be eligible for licensure upon completion of your program. Licensure requirements often vary by state. This notification contains information on the states in which UMary has verified that the program requirements in Biology Education meet licensure requirements, states in which UMary has verified that the program requirements do not meet licensure requirements, and states in which UMary has not determined if the program requirements meet licensure requirements. UMary is required to provide you with this notice under federal law, 34 CFR 668.43. The information contained in this document is current only as of the date listed above.

Complaints: UMary is also required to notify students of the contact information for filing complaints with our accreditor (the Higher Learning Commission), with states in which we are approved to deliver education, with state licensing entities, and any other relevant state official or agency that would appropriately handle a student's complaint. Information on the HLC complaint process and state complaint processes are available [online](#). Complaint processes for states in which your program is approved for licensure are listed under the "Licensing and Complaint Processes" portion of this notification.

STATE LICENSING INFORMATION
