

CAMPUS SECURITY REPORT

Purpose

This policy provides information on publishing and accessing the annual Campus Security Report.

Statement of Policy

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or “Clery Act,” the University of Mary annually publishes a Campus Security Report. The report includes a description of campus security procedures, and it provides security and safety recommendations for members of the university community.

A three-year history of crime statistics at the University of Mary is also included. The report is available to all enrolled students, prospective students, employees, and prospective employees of the University at the University’s website on the [Campus Security page](#). Printed copies of the report are available upon request at the Student Development Office, located in Room 1209 of the Benedictine Center for Servant Leadership. All University of Mary students are responsible to obtain a copy of the report, to be familiar with its contents, and to follow the recommendations included in it regarding safety and security.
