Clinical Mental Health Counseling	21 (including three dual)	16 (four students have not taken the NCE as of the time of publishing)	76.2%
School Counseling	7 (including two dual)	6	85.7%

Completion Rates for 2020-2021 Graduates

Students enroll in the Graduate Counseling Program starting in the fall semesters. If a student enrolls in one concentration, the program takes five semesters to complete when enrolled full-time. If a student enrolls in two concentrations, the program takes approximately seven to eight semesters to complete when enrolled full-time. For the Fall 2019 students that started, we had 31 students start the program. One student is still enrolled in the Program as a part-time student. No students started in Fall 2019 and enrolled in three concentrations. Three students started in Fall 2018 and enrolled in two concentrations.

Concentration	Number Starting Fall 2019	Number that Graduated in 2 years	Completion Rate
Addiction Counseling	4	3	75%
Clinical Mental Health Counseling	21	16	76.2%
School Counseling	6	5	83.3%

Concentration	Number Starting Fall 2018	Number that Graduated in 3 years	Completion Rate
Addiction Counseling & Clinical Mental Health Counseling	1	1	100%
