

DISABILITY-RELATED ACCOMMODATIONS FOR VISITORS

Purpose

This policy details disability-related accommodations available to visitors to the University of Mary.

Statement of Policy

In fulfillment of its mission to serve the religious, academic and cultural needs of people in this region and beyond, the University of Mary welcomes visitors to a variety of events throughout the year with the spirit of Benedictine hospitality. Visitors who are in need of accommodations or special arrangements because of a disability are asked to notify the event organizer of their needs in advance of the event. Please allow sufficient time for the accommodation that is requested. If the department or office sponsoring the event is not known, please contact the Director of Community Relations at 701-355-8348 for assistance.
