

Disability-related Accommodations for Visitors Policy

In fulfillment of its mission *to serve the religious, academic and cultural needs of people in this region and beyond*, the University of Mary welcomes visitors to a variety of events throughout the year with the spirit of Benedictine hospitality. Visitors who are in need of accommodations or special arrangements because of a disability are asked to notify the event organizer of their needs in advance of the event. Please allow sufficient time for the accommodation that is requested. If the department or office sponsoring the event is not known, please contact the Office of Public Affairs at 701-355- 8263 for assistance.
