

University of Mary Self-Service Password Reset Registration

Welcome to the self-service password reset site!

This website provides two services:

1. Reset/Change your University of Mary domain password. This password applies to your Canvas account, University E-mail (jsmith@umary.edu) and computer logins.
2. Unlock your account.

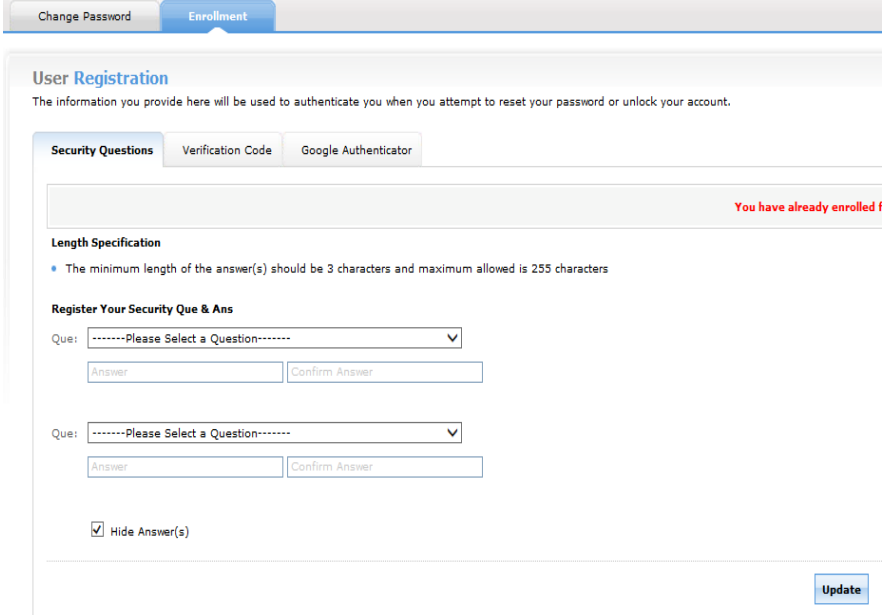

To register for this service:

In a web browser, navigate to: <http://access.umary.edu/> and sign in with your username and existing password:

The “Enrollment” tab and User Registration process allow you to set secure options for authenticating your account, if you ever forget your password.

You have the option of configuring:

- Security Questions
- Verification Code to an alternate email address
- Mobile authenticator apps (like Google Authenticator or Microsoft Authenticator)

Change Password | Enrollment

User Registration

The information you provide here will be used to authenticate you when you attempt to reset your password or unlock your account.

Security Questions | Verification Code | Google Authenticator

Update

Please note that you **must** configure AT LEAST ONE authentication option during the registration process. Without an authentication option, there will be no way for you to reset your password without contacting the OIT Help Desk directly.
