

WEAPONS, FIREWORKS, EXPLOSIVES, AND AMMUNITION POLICY

Purpose

This policy states the University of Mary's position on the possession, use, and storage of weapons, fireworks, explosives, and ammunition on campus property and at university events.

Statement of Policy

Applicability

This policy shall apply to all members of the university community, including students, faculty, and staff, as well as independent contractors, vendors, volunteers who perform work for the University, alumni, guests, and visitors of the University.

Definitions

For the purpose of this policy, the following definitions will apply.

Weapon: any object or substance designed to inflict a wound, cause injury, or incapacitate, including without limitation all firearms (including handguns, pistols, shot guns, rifles, etc.), BB guns, air guns, pellet guns, paint guns, crossbows, long bows, swords, martial arts weapons, brass knuckles, switchblade knives, knives with blades five inches or longer, and chemicals such as tear gas or oleoresin capsicum, excluding normally available over-the-counter self-defense repellents. This also includes replica or imitation weapons, including toys.

Fireworks: any fireworks including firecrackers, sparklers, rockets of any propellant-activated device whose intended purpose is primarily for illumination.

Explosive: any dynamite, nitroglycerin, black powder, or other similar explosive material, including plastic explosives.

Ammunition: any material capable of being projected by a weapon, making the weapon operational.

Policy & Procedures

Except as otherwise stated in this policy, the University of Mary prohibits the use, possession, display, or storage of any weapons, ammunition, explosives, or fireworks on university property or at university events, including all buildings, housing, facilities, or property owned or leased and operated by the university. This policy applies to all persons, including faculty, staff, students, spouses, dependents, and visitors. This policy shall not apply to law enforcement personnel authorized to carry weapons by their governmental agency and/or university employees who have completed training prescribed by the University and authorized by the Executive Vice President.

Consistent with N.D.C.C. section 62.1-02-13, possession of a legally owned and secured firearm in a private vehicle by a person lawfully in the area is permitted. For a weapon to be properly secured, it needs to be out of sight and locked. This policy does not prohibit an employee, student, customer, or invitee who is lawfully in the area from possessing a legally owned firearm that is locked inside or

locked to a private motor vehicle in a parking lot, or while the employee, student, customer, or invitee is driving directly to or from a public highway or street and a university parking lot.

Weapons are permitted for purposes of law enforcement or as authorized in writing for purposes of instruction, research, service, or other specifically approved purpose. To obtain written authorization for activities related to instruction, research, service, or other specific purposes, contact the Executive Vice President prior to the event. In the event the use, possession, display, or storage of the weapon or fireworks will take place in a residence hall, written authorization must also be obtained from the Executive Vice President. Always obtain written authorization if there is any doubt of violation of this policy.

An exception to the general ban on fireworks established by this policy is a fireworks display that has the prior written approval of the Executive Vice President as a part of a university-approved event or celebration.

Appropriate tools, such as saws, knives, and other such implements, necessary for the performance of job duties or schoolwork are the only exception to the policy. Bow hunting is allowed on property adjacent to campus for specific service operations, but only with a written exemption from the Executive Vice President.

Individuals in possession of unauthorized weapons, ammunition, explosive devices, or fireworks on campus may, depending on the circumstances, be subject to disciplinary action up to and including expulsion from the University of Mary or termination of employment. In addition, the individual may also be subject to criminal prosecution.

Anyone granted written exemption by the Executive Vice President for one of the conditions above must fill out the attached liability release form prior to the use, possession, display, or storage of the weapon or firework.

Administration

The Executive Vice President has the responsibility for the overall administration of this policy, and the establishment of procedures for compliance is the responsibility of the Director of Human Resources. Compliance with this policy is the responsibility of the officers, directors, managers, and supervisors.
