

University of Mary

Graduate Counseling Program

Vital Statistics for 2024-2025 School Year

Completion Rates for 2025 Graduates:

Students enrolled in the Graduate Counseling Program starting in the fall semester. If a student enrolls in one concentration, the program takes five semesters to complete when enrolled full-time. If a student enrolls in two concentrations, the program takes approximately seven to eight semesters to complete when enrolled full-time. Students may choose either a 2-year or 3-year degree plan.

Concentration	Number Starting Summer/Fall 2023	Graduated in 2 years	Completion Rate
Clinical Mental Health Counseling	27	22	81%
School Counseling	25	25	100%

Concentration	Number Starting Fall 2022	Graduated in 3 years	Completion Rate
Addiction	0	1	100%
Clinical Mental Health Counseling	8	6	75%
School Counseling	2	2	100%
