Graduate Counseling Program

Vital Statistics for 2023-2024 School Year

Completion Rates for 2024 Graduates

Students enrolled in the Graduate Counseling Program starting in the fall semester. If a student enrolls in one concentration, the program takes five semesters to complete when enrolled full-time. If a student enrolls in two concentrations, the program takes approximately seven to eight semesters to complete when enrolled full-time. Students may choose either a 2-year or 3-year degree plan.

Concentration	Number Starting Fall 2022	Graduated in 2 years	Completion Rate
Clinical Mental Health Counseling	19	15	79%
School Counseling	12	10	83%

Concentration	Number Starting Fall 2021	Graduated in 3 years	Completion Rate
Addiction	1	0	0%
Clinical Mental Health Counseling	2	2	100%

Pass Rates for Credentialing Exams and Job Placement for 2023 Graduates

Concentration	Number of Graduates	Credentialing Exam Pass Rate*	Job Placement Rate**
Clinical Mental Health Counseling	17	100%	100%
School Counseling	10	100%	100%

*Credentialing Exam Pass Rate for those who took the exam during Spring 2024.

**Job Placement Rates within 180 Days for those who were actively seeking employment.
