Academic Amnesty Policy

A University of Mary undergraduate student can take advantage of the "Academic Amnesty Policy" by petitioning the Academic Standards and Admissions Committee specifying the courses the student requests to be dropped. Only courses with grades of "D" and "F" may be dropped. Only courses taken ten semesters (excluding summer sessions) or more before the student's application for readmission may be dropped. The petition for Academic Amnesty must be made within six months following the student’s readmission. Current students who change their major from one division to another division and/or have unusual circumstances may also petition to have their "D" and "F" grades dropped. When the Committee approves a petition for Academic Amnesty, the original University of Mary grades will be shown on the transcript but a notation will be made and these grades will not be included in the calculation of grade point averages or the satisfaction of degree requirements. This policy can be used only one time in the student's academic career.
